\*The Seasonal Package is a discounted pre-payment package that must be paid in February to receive the 10% package savings. This package includes the Summerize, Winterize, 2 Winter Checks, 17 Weekly Services (beginning two weeks prior to Memorial Day, ending the week after Labor Day). The package price above adds these individual service prices together and then discounts it 10% for the pre-payment. Extra charges over the prices above include: sales tax, repairs, misc. labor, cover water/leaves, water level pump downs, extra Weekly Service weeks, Power Vacuums, chemicals, parts and/or accessories.

-Our Summerize is ideally divided into two segments. Part 1 (performed in April) includes: unplug all lines and install fittings; install pump, filter, chlorinator, auto-cleaners, etc.; grease valves/o-rings; prime and start your filter system, checking its operation; summerize heater; etc. Part 2 (performed in circled time-frame) includes: remove cover, sweep and fold; empty and fold water bags; reconnect diving board, ladders, handrails, etc.; check the chemical balance of the water; set your time clock; and sweep the patio around pool.

-The Winterize includes: cleaning filter; disassemble pump, filter, chlorinator, auto-cleaner, etc.; winterize heater; install blow-out extensions; blow out skimmer and return lines, plug lines, detach drain plugs; check the chemical balance of the water; detach diving board, ladders, rails, etc.; install pool cover and secure.

-Winter Checks (performed twice each winter) includes: check water level; check chemical balance and water quality; check pool and equipment for freeze issues; check on cover security, replacing any broken water bags and tightening springs.

-Our Weekly Service consists of at least one visit to your pool each week to keep it continuously clean and the water in balance. It includes vacuums, emptying of baskets, pool brushing, surface skimming, scum line cleaning, chemical balancing and filter backwashing when needed. Weekly Services are automatically scheduled from pool Summerize until pool Winterize.

-Power Vacuum is any vacuum that is not on a continual weekly basis.

-Extra charges over the prices above include: sales tax, repairs, misc. labor, cover water/leaves, water level pump downs, extra Weekly Service weeks, Power Vacuums, chemicals, parts, and/or accessories.
